tools to help you build a successful site.
We provide unlimited access to
customizations, so that you can change
and update your site regularly and quickly.

REAGENT 1

Some of the Silent features of the agent's site are:

- ❑ Unlimited changes to the interface. All the agents have to do is select the skin and voila - the site's appearance has changed.
- ❑ Unlimited customization options with Custom Pages. You can add new pages to your site, just as if you are working on your word processor! NO HTML knowledge needed!
- ❑ Ability to Add/Edit/Delete property listings
- ❑ Full access to thousands of listings as we provide automated listings through MLS.
- ❑ Full control over your traffic, see which listings are being visited and which of your pages are most popular!
- ❑ Change/Update all of your resources: Links, Neighbourhood Data, Home Page content, your photos with very easy Admin module.
- ❑ Access to Bulk Mailer which enables you to keep in touch with your customers on a regular basis and send them a bulk messages about hot properties.
- ❑ Unlimited email accounts
- ❑ 24/7 access to our Customer Support.

Brokers site Contains all of the above features - Plus:

- ❑ Ability to host any number of brokerage firms' agents.
- ❑ Password protected areas to limit access to authorized personnel.
- ❑ Effective Search Engine Placement Tools.
